## 2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

## Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2022-23 School Overview

### Vision

Kern Avenue strives to provide innovative educational programs through a variety of approaches that enrich children's lives socially, emotionally, and academically.

### Mission

The mission of Kern Avenue Elementary School is to ensure success of all students' social, emotional, and academic needs while providing a safe learning environment that promotes good values and positive self-image.

Our mission can be accomplished through:

- Grade-level performance of all students in reading, writing, and math at their instructional level.
- Integrate and coordinate student services and provide standards based materials for grade level instruction.
- Instruct to district expectations and to state standards and challenges.
- Provide meaningful and regular opportunities for parents and community members to become partners in education.
- Ensure access to core curriculum by budgeting for materials, by providing staff development, and by monitoring instruction.
- Improve accountability by gathering data of subgroup populations and by writing specific improvement plans for those subgroups.
- Develop student pride in achievement, responsibility, ethnicity, culture, heritage, and primary language proficiency of self and of others.

## 2022-23 School Overview

- Lead proactively and with high expectations of staff, of student achievement, and of parent involvement.
- Ensure all students will be educated in learning environments that are safe, drug free and conducive to learning.
- All Limited English proficient students will become proficient in English and reach high academic standards, at a minimum attaining proficiency or better in reading language arts and mathematics.
- Using Fine Arts classes during the day and after school, students will be able to access a more enriched curriculum. The right side of the brain will enhance the left side which will result in higher learning of math, and reading.

Kern Avenue is a TK-6 elementary school. It has a standard academic calendar with a 3 week break during the winter. As of November 18, 2022, Kern Avenue's enrollment is 705 students. Kern Avenue was built in 1936 and is located 28 miles North of Bakersfield.

The school has a total of 36 certificated staff, including a Principal, Learning Director, 2 mild to moderate special education teacher, 3 moderate to severe education teachers, a speech pathologist, psychologist, and a Counselor. Our school district employs a Program Manager of Curriculum, Instruction, and Assessment and a Technology Support Team that provide service to all district school sites. A school library clerk and 9 special education instructional aides provide direct instructional support for our students. An additional 6 safety aides help to maintain supervision of our students outside of the classroom.

Kern Avenue students are primarily of Hispanic descent and make up the largest sub-group of students, accounting for approximately 97% of the total student population. Approximately 50% of the total student population are identified as EL learners.

Kern Avenue is a school-wide Title I school. Approximately 90% of the students have been identified as socio-economically disadvantaged and the ethnic composition of the school staff mirrors that of the student population with the majority of the staff being of Hispanic descent.

## School Facility Conditions and Planned Improvements

The Kern Avenue school was originally built in the 1930s. The exterior of the entire campus received an upgrade in texture before being fully painted in summer of 2015. Although some buildings are aged, all aspects of the facility are well maintained and kept in good repair with the exception of the original school building which is constructed of masonry that is not reinforced. No students are housed in this building. It is used exclusively as a storage area for surplus furniture and equipment. The most recent Williams Inspection report graded the site as good with a score of 98.84% (Good).

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**  
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)	N/A	26	N/A	33	N/A	47
<b>Mathematics</b> (grades 3-8 and 11)	N/A	18	N/A	17	N/A	33

## 2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2022-23 Opportunities for Parental Involvement

Kern Avenue encourages parents to participate in their child's education by promoting communication through parent nights, conferences, and verbal and written correspondence through Parent Square. Kern Avenue has a parent policy that includes a parent compact to help strengthen the partnerships between the home and school. Parents, students, teachers and the Principal are asked to sign this compact during parent conferences. Teacher/Parent conferences and parent meetings are held to explain the State Standards and how to interpret their child's results. Teachers present the grade level standards to parents at Back to School Night. Parents are also given a copy of the grade level standards. Parent meetings are designed to assist the parents on how they can help their child at home. Parents are able to utilize the online Parent Portal within the Aeries student data system. Administration, teachers, and parents represent Kern Avenue's School Site Council. Parents, elected by their peers, represent the majority sub-group on the council, and represent all student sub-groups. The school site council helps to develop the School Plan for Student Achievement plan and the parent compact. The parents are welcome to observe in the classrooms, and encouraged to volunteer their assistance in the classrooms. Kern Avenue receives input and oversight from the School Site Council, ELAC, DELAC, Migrant, as well as outside consultants regarding the planning, implementation, and evaluation of consolidated application programs. Kern Ave. is implementing various fine art programs within the school day to promote parent involvement with their children; these include drama, oral language, art, yearbook, broadcasting, folkloric dance, band, and music.

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

## Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.84	2.52	2.45
Expulsions	0.00	0.00	0.05

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

## 2022-23 School Safety Plan

Kern Avenue has a well developed School Safety Plan that is updated yearly. We also have a safety committee that meets regularly to address concerns within the school. Included in this committee are certificated staff, classified staff, parents, and MOT personnel. Many concerns are addressed; from fire drills, intruder alerts, infestation of insects and rodents to facilities and supplies. Below are items also addressed in our School Safety Plan:

- School Wide Safety Procedures in place
- Safety Drill's Practiced
- Kern Avenue Guide to Handling Emergency Procedures flipchart completed and updated
- We have a closed campus
- Security gates and cameras
- Visitor Sign In/Sign Out logs in the office
- Staff & District personnel ID Badges
- Crossing guards & gate duty aides
- Yard duty aides
- Student rules for use of playground equipment during recess & freezing at the sound of the bell
- School-wide rules in place in the library and classrooms to increase time on task.
- Rules in place in the cafeteria to facilitate student lunch, and expected student behavior in the office.
- WEB activities are planned and distributed by the counselor
- Kern Ave. has a NO Bullying policy - students are encouraged to report any bullying to the office or counselor
- Kern Ave. also takes steps to keep our students safe emotionally - they are provided support when feeling depressed and/or suicidal
- Kern Ave. has also developed a plan to follow during a pandemic

## Professional Development

Professional growth activities are planned annually based on current need and input received from staff.

Current and ongoing staff development includes:

- Professional Learning Community Wednesdays to give the teachers time to analyze data, plan instruction, monitor student progress, and evaluate program effectiveness in teaching language arts, math and ELD standards
- Professional training Wednesdays to give professional development based on teacher needs
- Weekly grade level meetings to give teachers the time to continue to plan program effectiveness in teaching language arts, math and ELD standards;
- In-service programs provided on-site through the district office, the County Superintendent of Schools office, and through the Migrant program;
- Local conferences through the county office throughout the year for opportunities to further staff development;
- Demonstration lessons by classroom teachers and observations by BTSA providers lend additional support in developing exemplary teaching practices;
- A district coordinator of Curriculum, Instruction, and Assessment and an EL Resource Teacher at each site provide ongoing support for English Language Learners through classroom modeling, scheduling professional development workshops, and providing support with additional instructional materials; They will provide training and coaching on the new ELD program Launch to Literacy.
- A district Technology department and TOSA at each site provide ongoing support for technology in the classroom through modeling scheduling professional development workshops, and providing support with additional instructional materials
- Professional development sessions with consultants of programs we currently use (Renaissance and Next Gen Math)
- All Kinder - 3rd grade teachers are currently taking the LETRS curriculum in order to assist them in becoming better literacy teachers
