## 2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

## Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

### School Description

Browning Road STEAM Academy is a transitional kindergarten through sixth grade school located in a predominately agricultural community of McFarland. In addition to regular district financial support, Browning Road STEAM Academy also receives Categorical Aid funding from the following state and federal programs: Federal -- Title I. A high poverty level is documented by the fact that 100% of the students are eligible free or reduced lunches. Currently 231 students are designated EL. These indicators of high need for intervention have targeted BRSA a Program Improvement school for many years. Approximately 556 students are enrolled at Browning Road School. There are 24 self-contained classrooms serving TK-6 students. In addition, we have two special education classrooms: 1 is an SDC environment and the other serves our students with IEP's. We also house one pre-school classroom and one state pre-school.

### Academy Vision

Browning Road STEAM Academy is committed to engage, inspire, and empower a community of student learners to think critically in a STEAM learning environment that ensures each student achieves intellectual and personal excellence.

### Academy Mission

We believe in our responsibility to partner with parents, businesses and integral stakeholders to provide students the opportunity to explore a diverse curriculum, bring service to a growing community, participate in character education and

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Class Assignments

Indicator	2020-21	2021-22
<b>Misassignments for English Learners</b> (a percentage of all the classes with English learners taught by teachers that are misassigned)	2.5	2.8
<b>No credential, permit or authorization to teach</b> (a percentage of all the classes taught by teachers with no record of an authorization to teach)	2.4	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

## 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Every student in Browning Road STEAM Academy has a textbook for Reading, Math, Social Science, Science and all identified EL students have a textbook for English Language Development. Textbooks are adopted in accordance with the state's timeframe and standards. Other additional supplemental materials are either teacher developed, purchased along with the textbook adoption or through teacher lottery money. Instructional material is usually purchased through categorical funds, depending on the availability of funds.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)	26	17	33	30	47	46
<b>Mathematics</b> (grades 3-8 and 11)	12	9	17	19	33	34

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. ## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2023-24 Opportunities for Parental Involvement

Browning Road STEAM Academy has several opportunities for parent involvement. Throughout the year, there are several activities in which parents may participate. Below are a few activities, events and opportunities that we provide for parental involvement:

##### 23-24 Parental Involvement Activities:

- Back to School Night -- This is an opportunity for teachers and Admin to share with parents their expectations, rules, procedures, curriculum and grade level standards for their child's grade through in-person meetings.
- Fall Festival - This is an evening event in which families are invited to campus to take in a carnival during the Fall season.
- Parent Conferences -- At the end of the first quarter, staff set up appointments with every students' parents to review their child's report card, share their child's work, address academic/behavior concerns with parents and answer/respond to any questions/concerns that parents may have for the teacher, concerning their child. During the 3rd quarter, teachers and counselor meet with the parents of students who are risk of failing or are below grade level.
- Parent Movie Night- Parents will have the opportunity to participate and share in the incentives for good attendance and for supporting a positive culture. Parents will be invited to campus with the children and enjoy an evening with the family and community.

Lunch with Your Child Day (VLWYCD) - Parents are invited to join a lunch with their child 2 times a year during their child's lunch time. We have fun contests throughout.

Literacy Lunch- Our school will have a school wide reading campaign that will invite parents to have a picnic with their child and will be provided with a free book so they can read together during lunch.

- School Site Council meetings -- The school site council is represented by parents, certificated and classified staff. On a bi-monthly basis, parents and staff are elected by their peers to represent the school in providing recommendations to the school site council members when it comes to programs offered to students and approval of the categorical school site budget.

## 2023-24 Opportunities for Parental Involvement

- Parent Workshops: PIQE is an organization that will recruit 35 parents through a Parent Engagement Program. We will also have PIQE provide a STEAM Program for Families class.

### Literacy Night/ Mathematics Night/ STEAM Night

- Christmas Music Performance - Our students will participate in a presentation of Brass and Drum line from all three elementary schools and parents in an evening performance.

Christmas Song Performance- this year, all classes from all grade levels will be performing songs of their choice for parents in a Christmas Program

- Canned Food Drive -- During Thanksgiving and Christmas, parents are asked to participate in a canned food drive to provide blankets, jackets, socks and shoes for underprivileged families in the communities.
- Pending State and District Guidelines: Harvest/Fall Festival -- Staff work together in providing a small carnival to invite families and community members for some fun and games, while raising money for student body.

## 2023-24 School Safety Plan

Browning Road STEAM Academy's first priority is safety. In order to promote safety, BRSA has created a revised set of school rules and has implemented a set of shared values and manners, which all BR members have adopted. We are also in the second year of implementation Tier 1, of PBIS and will be applying for the bronze seal. BRSA has also implemented a zero tolerance policy for horseplay, which has decreased the amount of aggressive behavior on the playground and in the classroom. BR has also retrained yard duty staff to exercise active yard duty and be able to intervene when they see the early signs of unsafe behavior. Yard duty aides have also been retrained on how to execute crosswalk duty as recommended by local law enforcement. The goal is that all teachers, yard duty aides, and other staff members use this system to decrease undesirable behavior and increase desired behaviors on campus while keeping detailed records and to be able to make data driven decisions. BRS has implemented updated security measures as it pertains to access of unauthorized persons onto the school campus. For the safety of the students and staff, signs are posted throughout the school requiring all visitors to report to the office. Visitors are required to sign-in at the front office and have their ID ran through a system called Raptor Technologies, which runs their ID through the DOJ. Parents/visitors are only allowed on campus with authorization and a visible name tag. There are signs posted on campus stating that all alcohol, tobacco, and drugs are prohibited on school campus.

This year, the Comprehensive School Safety Plan is being updated and will be presented to the Leadership team and BRSA Parents and staff members during the month of November, 2023.

## Fiscal Year 2022-23 Types of Services Funded

We have several programs and supplemental services available at Browning Road STEAM Academy:

\* Supplemental Educational Services have been offered to students who are socially economically and academically disadvantaged, according to CFA and district and site test scores and/or by teacher recommendation at BRSA through Title I funds.

\* The After School Education and Safety (ASES) Program, run now by The Boys and Girls Club is now being offered to all students.

\* The Family Resource Center FRC also offers various services to the community to help families with food, school uniforms, clothing, referral to outside agencies and resources, and help them to pay their bills, when eligible and funding permits.

\* California Mini-Corp also provides supplemental services in the classroom to service our migratory population in class. They provide support in helping student achieve proficiency in language arts and math. We currently have one Mini-Corp tutor servicing over 40 students. Migrant also offers an after school program to eligible migrant students twice a week.

## Professional Development

Professional growth activities are planned annually based on current need and input received from staff.

Current and ongoing staff development includes:

STEAM Lesson Plan Design and Implementation by using the 5E Model Descriptors to promote the instructional model that will support learning with inquiry-based questions, experience, research and so students can gain a deeper understanding of science concepts. It is critical that all teachers feel comfortable using this model in every subject.

- School Culture: In the spring semester, we will use two professional development days to revisit the Vision and Mission of Browning Road Steam Academy
- LETRS- LETRS is flexible literacy professional development for teachers that shows teachers how language, reading, and writing are related to one another and other critical elements that are most effective in improving overall reading outcomes.
- MUSD has partnered with KCSOS Dept. of Multilingual Education to provide ELD Resources and professional coaching to provides ongoing support for our English Language Learners through classroom modeling, scheduling professional development workshops, and providing academic support with additional professional development opportunities.
- Teacher created resources linking teachers to free virtual online professional development as well.
