VI. Action Items

A. Approval of AVID UC Trip

The AVID philosophy includes promoting access to a variety of colleges. It is an observed phenomenon that our students apply in overwhelming numbers to the colleges that they have visited; making the unknown known is essential to reaching new heights. This trip would provide 29 students, who are successfully completing the A-G requirements necessary for university attendance in California, the opportunity to visit three University of California campuses, three CSU's and two private schools that have previously been out of our reach. In order to be considered for the trip, the students had to be active members of the AVID program and hold at least a 3.0 grade point average. Approval is requested.
